Speak English Freely!

We aim to solve English speaking practice problem
of 3.5B people from 175 countries
by gamification and peer-learning powered by AI

 PROBLEM

1:1 tutoring sessions are costly

Exercise-based apps don't enhance communication skills

Building a sustainable learning habit is challenging

linqi

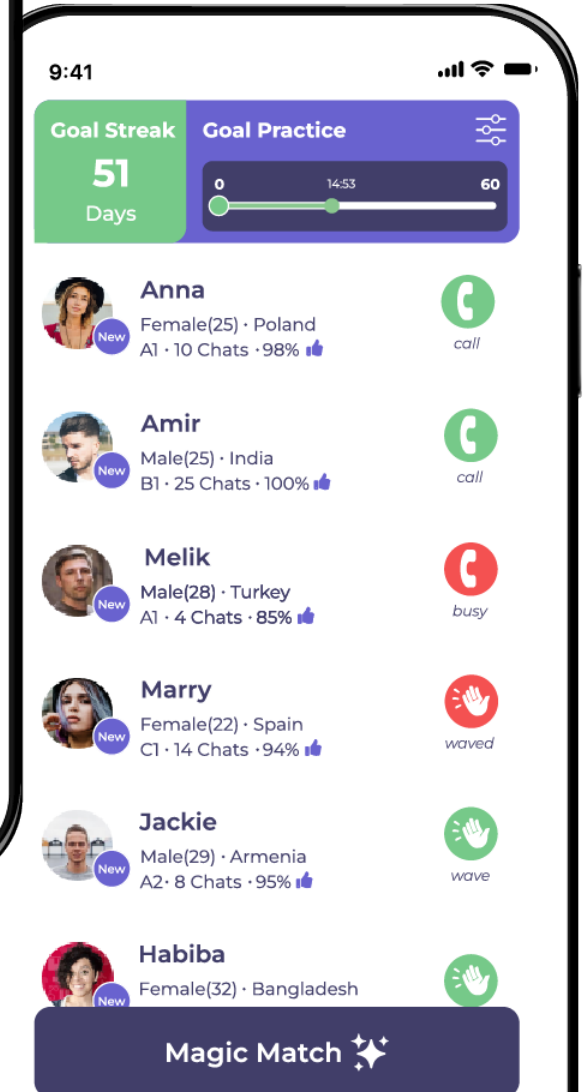

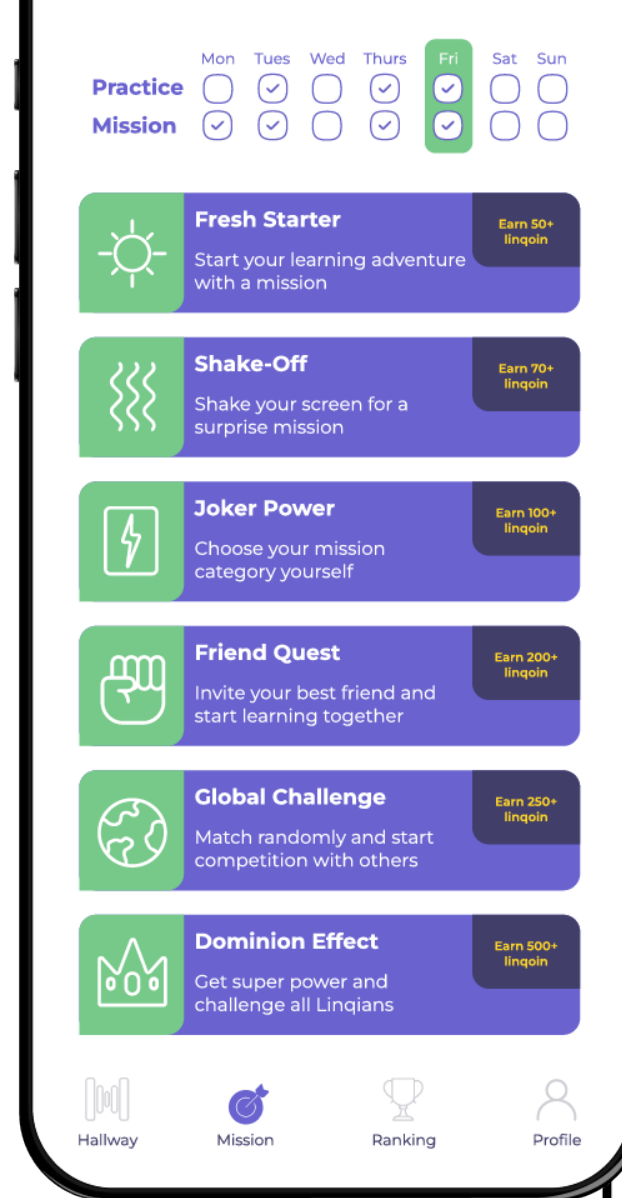

A mobile app for developing English speaking skills
sustainably and affordably

LinqiApp enhances your English speaking skills and builds practice habit

- 7/24 realtime conversational practice:
 - no stress in choosing a tutor
 - no frustration in scheduling
 - no fear of missing classes
- Gamified daily learning missions:
 - no monotonous exercises
 - no boring assignments
 - no strict schedules

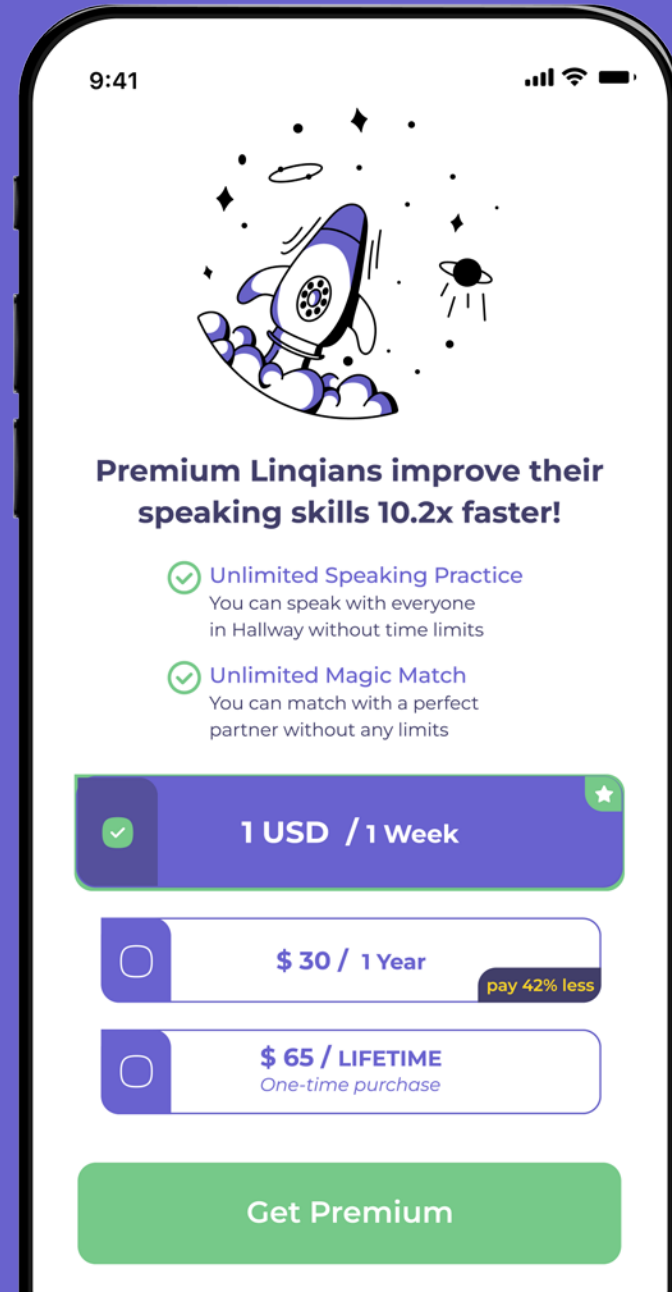

BUSINESS MODEL

Revenue Streams:

- 1-week subscription (15%)
- 12-month subscription (60%)
- Lifetime (25%)
- In-app purchases

Growth Strategy:

- Freemium: 7-min daily free practice
- Trial: first 5 missions are free for all
- Product-Led Growth

 - Featured in New Apps section on Play Store in Aug
 - Acquiring a min. of 300-350 organic users daily

linqi

WHY NOW?

1. Market share of non-game apps are increasing (2020 - \$111 B; 2025 - \$270 B)
2. Covid-19 has changed our learning habits
3. We conducted R & D with 400+ students in 3 years (Lingua Challenge)
4. We designed MVP and made initial release on April 27, 2023
5. We acquired 1k+ users in 90 days after initial release
